COLRC Specialty

Join us on Friday, October 27 at 10 a.m. for Specialty "set-up" in the Arts and Crafts Building at the Delaware County Fairgrounds. We need mums for ring decorations as well as pumpkins/gourds.

Sweepstakes begins on Saturday at 8 a.m. with regular classes to follow at 10:15 a.m. Same schedule for Sunday. Our rings are magnificently decorated in rustic, Halloween decor, thanks to the clever eye of Sally Bell. Linda Bednarski has diligently curated our trophy and ribbon table. Lori Bentine has put together a one-of-its-kind raffle, to be held on Saturday only. Lunch (tasty Chili!) is offered by the club both days, thanks to Joni Palumbo and Jennifer Stotts. It's worth getting to the show site early on Sunday for a fabulous breakfast, hosted by Jennifer, Brian Tipton and Christian DiSabato!

See you at the fairgrounds on October 28 & 29! Come watch, or show dogs and be back home in time to watch the Buckeyes vs. Penn State (3:30 p.m. Kickoff)!

Information on Canine Influenza From the Animal Hospital of Worthington

Dear AHOW Client,

We want to inform you that canine influenza is now in Central Ohio. There have been multiple confirmed cases in the area and at least 3 doggy daycare facilities are currently shutdown due to outbreaks. Here are some things you should know about this new disease:

- Canine influenza is a highly contagious viral infection.
- Your dog can be infected before showing any symptoms.
- Affected dogs may have a soft, moist cough or a dry cough similar to that induced by "kennel cough". Nasal and/or ocular discharge, sneezing, lethargy and decreased appetite may also be observed. Some dogs also develop a fever, and severe cases may lead to pneumonia.

We urge you to avoid places where groups of dogs gather - dog parks, doggy daycare, etc. Please call us to schedule an appointment if you notice that your dog is exhibiting any symptoms of canine influenza. Early diagnosis and treatment is best.

There is a vaccine available for canine influenza in limited quantities. It is a series of two vaccines given two weeks apart and your dog is not considered protected until one week after the second dose. Please call us to schedule an appointment if you would like to get your pet vaccinated.

As always, please call us with any questions.
