Dog and Kennel License Renewal

Just a reminder that Jan 31 is the deadline for renewing licenses in Ohio for individual dogs and kennels.

Each county sets its own fees. Some Ohio counties charge more for intact dogs. Counties offer one-year, three-year, and permanent licenses.

Failure to license carries a penalty and the cost of licenses purchased after Jan 31 are doubled unless the dog was obtained after the 31st and is over 3 months of age. Dog licensing law requires kennel licenses for those "professionally engaged in the business of breeding dogs for hunting or for sale." Many hobby breeders with more than five dogs also purchase kennel licenses because they save money over the cost of individual licenses.

In addition to these license fees, applicants with more than 16 breeding dogs will be required to purchase surety bonds or insurance in amounts ranging from \$5000 to \$50,000, depending on the number of dogs they house.

Purchase of a kennel license may require the breeder to allow inspection of the facility.
