PREZ NOTES

"If a picture wasn't going very well, I'd put a puppy dog in it."-Norman Rockwell.

Really, you could take out the word picture, and put in life, because I think that's a true statement....dogs just make things better. They are always elated to see us when we arrive home. They always forgive us when we yell at them or forget their favorite treat. They anxiously await the next opportunity to spend time with us. I could go on, but you get the idea, most of us can't say those things about too many *people* in our lives!

We had another good turnout for the meeting this month and we have planned a few upcoming events. We are going to have a meeting of sorts in May in conjunction with an opportunity we have to hear Dr. Pinto from OSU speak on reproduction topics. We are doing this meeting/speaker in conjunction with the Cavalier KCS club. The CKCS club is having their board meeting at 6:30 and general meeting at 7:00, so I suggest we hold a brief meeting at 6:30 as well and we can cover any business that is necessary and then plan on the speaker starting shortly after 7:00. Dr. Pinto will be speaking on topics like reproduction, fertility and neuter/spay recommendations among other things, so there should be some pertinent information for everyone from the pet owner to the exhibitor. Please plan to attend so that we have a respectable turnout and can plan other events and speakers.

We also discussed having a field practice/dog socialization event in early June. Check the June newsletter for details on that event. As a club, our common interest and what draws us together is our dogs, so let's try to have

some more gatherings and events where everyone can bring dogs to participate.

Finally, the puppy match is the first weekend in May in conjunction with the club picnic. We have received approval for the specialty and sweepstakes in October and things seem to be well in hand at this point for the specialty. We still have a few trophy classes to fill.

I look forward to seeing you at the puppy match and then again on the 17th.

Jennifer
