Specialty Update

SET UP 10:00 am Friday 10/23

Everything is falling into place for the upcoming specialty so thanks to all that have volunteered their time and donations. I hope that all who are available will attend set up on Friday, please bring your mums, pumpkins and any Halloween decorations so we can make our ring and hospitality area look fabulous! Joni and Jennifer are working hard making chili and hospitality plans and Lori has once again collected many spectacular items for the raffle, I am sure it will be a huge success!

We have a great entry this year, 103 on Saturday and 91 on Sunday, down only slightly from last year. The entire Delaware Kennel Club entry is decreased by about 25%, a typical trend for most dog shows throughout the country over the past couple of years.

Feel free to bring any additional raffle items on set up day, either for the silent auction or general raffle as we can always add them to the group. Jennifer has suggested that we donate some of the proceeds from the raffle and/or a donation jar at the hospitality table to a local labrador rescue group that is providing a much needed service and is representing our breed well in their efforts. We will have more information about the group posted at the show.

We look forward to seeing everyone at set up or during the show, remember we need help breaking down also so plan to make a weekend of it so it will be less effort and more fun for everyone!

See you there! Linda

In Memory

Susan Moseley

8/2/1950 – 10/7/2015

Our year since Susan Moseley's diagnoses, and especially time after the hospital and rehab, was filled mostly with joy. She got out and about. She had plans for breeding and showing dogs. She had a new commercial van for a canine transport business. Her new puppy, Spin, a yellow lab from her line, had her smiling every day. She loved her dogs.

A week before Susan's death, when the doctor was telling her she was dying and he was giving her the immediate choice between going to the ER and hospital or setting up Home Hospice, she said: I want to live.

Her decline was rapid but she never lost her spunk or sense of fun. Susan died peacefully, at home, surrounded by her dogs and love.
