"The most affectionate creature in the world is a wet dog."

-Ambrose Bierce

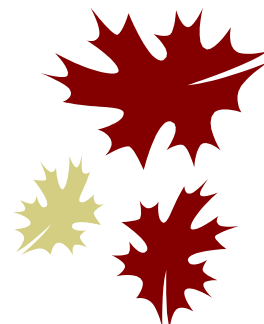

Thank you, thank you, thank you to the great group that turned out for the September meeting. It was the largest crowd we have had at a meeting in quite some time and it was like old meetings with the typical laughing, storytelling and good food. We had some new applicants for membership as well. We also accomplished some business!

Susan and Steve have the specialty well in hand and have done a fantastic job with organization, which makes everything go more smoothly. There are always hands needed, so if you haven't volunteered for a job, please do. Our October meeting is the annual meeting at the Bentine's to deliver your raffle contributions.

Thanks to Chris Bell, Steve Hrinko and Linda Bednarski for serving on the nominating committee and coming up with the proposed slate of officers you see in the newsletter. Nominations will be accepted from the floor at the October meeting.

Enjoy these last few remnants of warm weather and the beautiful fall colors and weather.....snow's not too far away!

COLRC's 11th Annual Specialty Show & Supported Entry

Yes, it looks like we're gonna have a Dog Show! Thanks so much to everyone who has volunteered to make it happen. To all who weren't at the meeting, we discussed all of the details, twisted arms and came up with a plan. It's very convenient that the plan is very similar to past years (less Friday commitments), everyone knew what to expect, everyone knew they had something to offer. We can still use donations of mums and pumpkins but the club will be purchasing some of these to offset the burden on Club members.

This is our party, we're going to see a lot of old friends. We're going to show our lab community a great time, rain or shine.

Any final decisions will be made at our next meeting and I'll probably still be asking for people to help pull this off so I hope that everyone will be able to attend. Since it's at the Bentine's, you know the food will be great and the company will be even better.
